Grayling Housing Commission Seeks \$10,000 Survey and Planning Loan

The Grayling Housing Commission approved data for a preliminary loan of \$10,000 for the payment of project surveys and planning for the construction of a 28 units of low rental for the elderly.

THE APPLICATION for the construction of such a building from the Grayling Building Commission has been approved. The Commission now must select at least three separate sites in the city for the proposed building. The final site selection will be made and approved by both the Home Finance Agency of the federal government and the Grayling City Council.

It was pointed out that elderly citizens who have an interest in renting one of the units need not make out an application but just let their interest be known at the Grayling City Office. Those displaying an interest in one of the units will then be listed by the Grayling Housing Commission.

The 28 unit structure will contain 18 efficiency units of one room with alcove bedroom and a bath; 8 units will have one bedroom with 2 being 2 bedroom units.

A SURVEY was carried out in the City of Grayling last Thursday and Friday to determine if there was a need for a 22 unit structure for low income housing (non-elderly). If the need can be shown, Grayling for this low income rental unit, the city can have a total of 50 new units with the low income and elderly units combined.

Grayling Little League To See Tigers - Orioles

Little League President Art Thayer announced this week that tickets to the Tiger baseball game with Baltimore in Detroit had been obtained for Little Leaguers and coaches. The game will be played Saturday, July 17th at Tiger Stadium in Detroit. The tickets were secured through Mike Lakpa.

ONLY ACTIVE players of both major and minor leagues, officially approved by the coaches as active participants, will be eligible to attend the big league game. This means the boys must attend practice and play in games as scheduled.

It should make a wonderful outing for some baseball-minded young men.

Offer Information On 4th Of July Concessions

Local organizations wishing additional information on the operation of concessions during the 2nd Annual Fourth of July celebration sponsored by the Grayling-Fire Department are urged to contact Claude "Bud" Halstead or Olin Williamson, co-chairman of concessions. IT IS EXPECTED that at least ten local organizations will participate in the concessions to be operated from the Municipal Park on the Ausable River. Each organization is urged to appoint one person with authority as spokesman to attend future planning meetings and to make plans. All must indicate their intention to participate by Monday, May 10. Plan X-Ray, Blood Clinic In County

"Investment of a few minutes of your time could save your life." This was the way Dr. Georgia V. Mills, District Health Department No. 1 Director described the health screening program being held in May. The program — which tests for tuberculosis, lung defects, heart abnormalities and diabetes — includes a chest x-ray and blood test.

THE program according to Dr. Mills, is conducted by the county health department and is sponsored by the North Central and the Muskegon-Wexford Medical Societies and the Michigan Department of Health.

Dr. Mills urged all persons 30 or older to avail themselves of the opportunity of taking the health screening tests.

Many times, she said, because of the results of our combined health screening, persons are referred to their doctors for complete physical checkups and often these result in uncovering an early chronic disease in its pre-symptomatic stages, and under treatment from physicians, the disease can be cured or arrested in its early treatable stage.

FOLLOWING IS the schedule in Crawford County for the health tests:

FREDERIC Town Hall, Tuesday, May 4th, 12-4, 5-7.
GRAYLING American Legion, Wed., May 26, 1-3, 4-7; Thurs., May 27, 10-2, 3-7; Friday, May 28, 12-4.

FUNDS NEEDED FOR JULY 4th FETE

The Grayling Fire Department finds itself getting closer to the deadline for the planned July Fourth celebration with less funds at this time than last year despite the success of several fund-raising affairs the Department has conducted. For this reason they are extending an invitation to the public to make any donation towards the fund they feel able to. This is exclusive of the business area of the city, which the firemen plan to call upon later on, if necessary, as they did last year.

DONATIONS may be made to Fire Chief Frank May, Assistant Chief Kip Papendick, Bob Golinick or Ed Kucharek. Or if more convenient, phone and they will come to pick up donations.

The Fire Department was called to the South Side Wood Products company Monday of last week at 11:50 a.m., but the fire had been put out by employees before arrival. On Sunday, the 18th, a 1958 Ford car belonging to Don Fairbotham, parked in front of Dad Hanson's store, backfired thru the carburetor and burned the hood. The Department extinguished the fire, which caused an estimated \$50 damage according to a Department spokesman.

ROTH - GIBBONS WED IN FREDERIC

The marriage of Mrs. Esther Roth of Pontiac and Mr. Charles F. Gibbons of Ortonville was solemnized at two o'clock on Saturday, April 17, 1965, at the First Baptist parsonage in Frederic. The single-ring ceremony was performed by the Rev. Claire F. Olin.

Mrs. Roth chose a knitted suit of navy blue with beige accessories for her wedding. With it she wore a corsage of white carnations. Her sister, Mrs. George Lodge, and brother-in-law, George Lodge, attended the couple. Mrs. Lodge chose a beige and white print dress with matching beige coat, white accessories and a white carnation corsage.

Following the wedding a reception was held at the Frederic Sportsman's Club for thirty guests, including Pastor and Mrs. Olin. A beautiful four-tiered wedding cake had been made by Mrs. Dewayne Stuart and decorated by Mrs. Diane Phillips to serve the guests.

Mr. and Mrs. Gibbons are making their home at 517 East Pike Street in Pontiac. They plan a Canadian tour in July for their wedding trip.

Keister organization in the Old Supreme Court Chamber of the Nation's Capitol at a date to be announced.

The "Support the Church" series is now appearing in over 1,000 newspapers throughout the United States and Canada; interestingly enough, one subscriber in Sweden. It has received enthusiastic endorsement from ministers and leaders in virtually every major denomination in the United States. THIS PAPER is pleased to present these forceful messages to its readers and we feel that the sponsors should be proud to be a part of this influential project, reflecting high credit to their own business establishments, and helping to strengthen our churches and indeed our whole community.

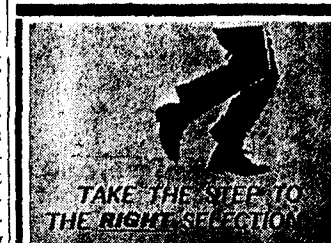

Leadership of the Freedoms Foundation includes General Dwight D. Eisenhower, Chairman; the Honorable James A. Farley, Senior Vice Chairman; Admiral Arthur W. Radford, Executive Committee; and Dr. Kenneth D. Wells, President.

WHO'S MISLEADING?

Advertising, in all its real or alleged virtues and vices, is a perennial subject of discussion. It has its dedicated opponents as well as its defenders. There are very wide differences of opinion as to how powerful and persuasive it is. Still, one thing is certain — it provides the commercial support for the vast majority of our newspapers, magazines and other media of communication. Without it, these either would not exist, or would have to be priced at a figure that would deny them to all but the comparative few.

An interesting contribution to the subject was recently made by President John E. Swearingen of the Standard Oil Company (Indiana) in a speech before the Advertising Club of Omaha. Advertising, he pointed out, has gone on from its rather shaky beginnings of long ago to where it is one of the major communicating forces in our society. Last year alone, something like \$14 billion was spent on advertising in all its many ramifications. It makes a vast contribution to literacy, by providing the major part of the revenues of some 1,700 daily newspapers, 9,000 weeklies, thousands of magazines, some of whose circulations run to many millions, and radio and television.

This, Mr. Swearingen clearly believes, is all to the good. But he also sees another side to the coin. As he puts it, the usefulness of honest and ethical advertising as "... one of the major communicating forces in our society" is threatened by "questionable practices which work to destroy the credibility of all advertising." And then he makes an unusual point. In his words, "By the time you move up the scale to our largest institution, the Federal government, it is hard to escape the conclusion that here we have stumbled upon a classic example of stone throwing from a glass house — so far as governmental protests over misleading advertising in the private sector are concerned."

The point is, he goes on, that the federal government is the largest advertiser we have. It doesn't buy the space — but all its important announcements are given maximum publicity, to which commercial advertising must take a back seat. This is inevitable — the public is entitled to the information. But Mr. Swearingen's criticism is that government releases of information are frequently misleading. In this, he cites chapter and verse. One is the "fanfare regarding the level of the budget." Another is dramatic announcements by federal agencies of charges against individuals or corporations, followed by hardly any comment when the charges are not sustained. And a current case, affecting millions, has to do with the great publicity given by government sources to last year's income tax cut. Relatively little attention, however, was called to the fact that, as a

pump-priming device, the withholding rates were cut even more sharply, with the result that on April 15 a great many people owed the government more than ever before. Some who have been getting refunds in the past had an income tax bill to pay for the first time.

Mr. Swearingen has faith in the need, worth and general honesty of advertising. But he does provide a worthwhile warning: "Widespread loss of faith in commercial advertisements would be a damaging blow to the economy and the communications media themselves. Widespread loss of faith in governmental communications would lead to a cynical withdrawal from participation in the democratic process at home; on the world stage, government failure to maintain the credibility of its major communications would invite destruction.

"We obviously cannot afford, either, integrity in these two areas is indispensable."

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVANCELANCHE OF 23 YEARS AGO

APRIL 30, 1942

Michigan is called upon to play a most important role in the financing of the war effort as well as turning out the tools of war. Secretary of the U.S. Treasury Henry J. Morgenthau, Jr., in his radio address informed the nation that 50,000,000 Americans would be asked to invest at least 10 percent of their earnings every month in War Bonds.

Friday, April 24th, marked the 50th anniversary of the founding of the local Danish-Ev. Lutheran Church, and the occasion was fittingly observed on last Sunday, the 26th. Special services were held at 11 o'clock in the morning with Rev. Edwin E. Hansen of Marquette, President of District 2, as the guest pastor. At this service also was baptised the young son of Mr. and Mrs. William J. MacLeod. At 5:30 about 100 members and guests enjoyed a delicious banquet in the dining room of Danabod Hall, which had been prepared by the ladies of the church. Rev. Alfred E. Sorenson, a former Grayling boy, sent a special message in the form of a photograph record, giving his greeting both in Danish and English. Mr. T. P. Peterson read a sketch of the history of the church during the past 50 years. This had been compiled by Miss Emilie Stockholm and was very complete.

Liwyn Doremire of Midland spent the weekend with Mr. and Mrs. Paul Lovely, coming for trout fishing. James Tinker caught a 21 inch rainbow trout on the main stream of the Ausable river the first day of the season.

Dr. and Mrs. Earl E. Taylor (Virginia Hanson) of New York City are the proud parents of a daughter born Friday, April 24th. Dr. Taylor is associated with the Book Bank of America. T. W. Hanson is the happy-grand-dad.

Mr. and Mrs. Richard Snyder and daughter Peggy of Saginaw spent the weekend at the home of Mr. and Mrs. Oscar Hanson.

Byron Randolph, who has been here for some time, has been called back to Pontiac, where he was employed at one of the General Motors company plants.

Mr. and Mrs. Francis D. Heath of Midland are receiving the congratulations of their friends on the birth of a son William James, at Grayling Mercy Hospital on Monday, April 27th.

Mrs. Theodore Leslie is the new waitress at the Snack Bar, taking the place of Miss Betty Parkinson, who resigned.

Bill Joseph was home from Camp Custer over the weekend. He arrived Friday night and had to be back in camp Monday morning. He is looking fine. He hasn't as yet been assigned to any organization. At present his job is to interview the newly arrived men and assist in classifying for the type of work for which they seem best fitted.

Lorne Douglas of Bishopric, Sask., spent the past week in Michigan on business. He visited Tuesday in Grayling.

Tom Welsh of Big Bay came home Sunday to visit his parents, Mr. and Mrs. Fred Welsh, until he is called into the army.

Misses Ann and Alma Bidva left Thursday to spend the weekend in Detroit. While there they will attend a Junior Prom at the Lawrence Tech. building.

Ted Cregue, Bill Bennease, Bob and Rex Parcel and Arnold Gallagher of Flint spent the weekend at the Cregue cabin on Lake Margrethe. They were here for the opening of trout fishing but had poor luck.

Larry McNamara proved himself quite a fisherman Tuesday evening when he caught two rainbow trout 9 and 7 inches long, and one chub 9 inches.

A son was born to Mr. and Mrs. Ernest Larson on Tuesday, April 26th, at Mercy Hospital. He weighed 8 1/2 lbs. and will be known as Gerald LeRoy. He has the distinction of being the 16,000th patient at the hospital.

Mrs. Isaac Bouslay and Mrs. Paul Lovely were hostesses at a card party Sunday evening at the home of Mrs. Lovely, for the benefit of St. Mary's church. The honors for 500 went to Mrs. William Gilder and Mrs. Henry Bousson, for pinhole to Middle LaMotte and Mrs. Bessie Peterson, and for pedro to Mrs. Isadore Vallad and Mrs. Mose Woods. Very nice refreshments were served and a good time was reported.

Eighty-five degrees is high for this neck of the woods at this time of the year, but that is what it was Monday night for the all-high for the week. Yesterday afternoon and last night there was a soaking rain and with it large hailstones fell. It was exceedingly dry in this section and the rain was very welcome.

On Saturday, April 18th, at 8 p.m., Miss Doris Harmer, daughter of Mr. and Mrs. Peter Harmer, and Jack Bigham, Jr., son of Mr. and Mrs. Jack Bigham, were united in marriage in Frederic.

George Lodge of Frederic, who is working in Pontiac, spent the weekend with his family here.

The first well-established dancing ground of the sharp-tailed grouse in the lower peninsula has been found west of Roscommon in

the Fletcher Settlement area by Farley F. Tubbs and Donald W. Douglass, ornithologists of the department of Conservation. There were also three prairie chickens at the site, Douglass said. The sharp-tailed and prairie chickens tended to keep apart but occasionally a chicken faced off with a sharp-tailed. The site was first discovered in 1940 when seven or eight prairie chickens used it. In 1941 as many as 10 were seen at one time and on one occasion a sharp-tailed grouse was flushed from the hill. Last fall a hybrid was shot in the Fletcher Settlement area. Dancing sites provide a significant check as they forecast an attempt by the species to rear young in the area.

"Riverdale" at Twin Bridges was occupied over the weekend by the Howard McCams of Detroit and their guests the Ken Cavanaughs, James McCann and Howard J. McCann.

Robert Ziebell has resigned his position as deliveryman at the Petersen grocery and now has charge of the Salting Hanson Co. warehouses. Johannes Rasmussen formerly looked after the affairs at the warehouse for a number of years, but resigned last week. Mr.

Ziebell started work Monday morning. Thomas Washington, who for a few summers past has been the chef at the Hanson Dining room at Lake Margrethe, arrived Monday afternoon to resume his duties for the season. Mrs. Washington will come in about two weeks. During the past winter they have been employed by Mr. and Mrs. T. W. Hanson in New York City. "Tom and Nellie" are past masters in the art of providing and serving elegant eats and their presence here again this season promises delight for the inner man.

Curry Sheehy left Newport News, Tuesday on his fifth trip across the Atlantic. He is a fireman aboard the U. S. S. Mr. and Mrs. Waldemar Jensen gave a confirmation party last Sunday afternoon in honor of their niece and nephew, Miss Ruth and Marius Sorenson. The latter, who is the oldest son of Mr. and Mrs. Rudolph Sorenson, makes his home with Mr. and Mrs. Jensen. Carl Hanson entertained the members of the class at his home one evening last week.

G. H. S. English Students Poetry To Be Published

Grayling High School English instructor Carl Minor was notified this week that the original poems of three of the Sophomore English students have been accepted for publication by the National High School Poetry Association. Engraved certificates signifying this honor have been received for Marilyn Houle, Robert Jackson, and Vicki Wells. The original poems of more than a hundred Grayling students were entered in the national competition.

The National High School Poetry Press of Los Angeles, California, will publish the young writers' work in an anthology entitled "Young America Sings." The book, which will be printed sometime in May, will be made available to the student writers, their instructor, and to the high school library.

Each year the National High School Poetry Association has a nationwide competition for student writers. Poems entered in the competition may be on any subject of the writer's choice and must be a part of the regular class assignments in English. The purpose of the annual competition is to encourage high school students to develop their writing talents to the fullest. The annual publication gives the individual high school an opportunity to compare its efforts with that of other schools of all sizes in the fifty states. The poems are judged by professional writers and instructors from some of California's higher institutions of learning. Grayling High School extends congratulations to its successful student writers.

Ever thought about that word — its deep, stirring meaning? We start out as part of a family. And even though we know we are "little" it doesn't matter. We are part of the family — that's important. And what we will become — the family is looking out for that!

Then one day we are grownups. And again we are part of a family. But now we are "big." Oh so big! For what the rest of the family will become — that depends on us!

How important a part did the Church play in your transition from being little to being big? Well, in this free land, the chances are good that you grew up spiritually as well as physically.

But, even if you didn't — it's not too late! Not only can you see your children off to a free and fine education, but you can come with them to church... where the "little" and the "big" learn of GOD... where the truth of Christ's teaching guides the destiny of THE FAMILY.

THE CHURCH FOR ALL

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Letters To The Editor

Editor's Note — As can be seen by the date on this letter, it was written sometime ago. Ron was feeling much better that day and his parents wanted the people of Grayling to know his feelings at that time.

Ann Arbor, Mich.
April 17, 1965

Dear Sirs:
I would like to have you put a piece in your paper telling all my friends in and around Grayling that I am feeling better and thanks a lot for all the letters, cards, flowers and gifts I have received. Also that I soon hope to be back up there and see everyone.

Thank You
Ron Smith

IN MEMORIAM

In loving memory of my husband, Bernie Sajdak, who died April 24th, 1954.

Somewhere beyond the rainbow's end, the skies are bright and fair. No shadow dims, no darkness falls, the land is peaceful there. And someone with the power to heal, to guide and understand is waiting there by the hand. So when a dear one heads his call, our hearts should be at rest. For there beyond the rainbow's end, a loving God knows best.
